

Frequently Asked Questions

Who must have a permit?

You are generally required to obtain a California seller's permit if you sell or lease merchandise, vehicles, or other tangible personal property in California. A seller's permit allows you to sell items at the wholesale or retail level. If your sales are ongoing, you should apply for a "Regular" permit. If your sales are of a temporary nature (90 days or less) apply for a "Temporary" permit. You cannot legally sell taxable items in California until you have been issued a seller's permit.

Do I need more than one permit?

Each location where sales of taxable items are made requires, and must display, a seller's permit. If you have more than one selling location, attach a list that includes the address for each location and we will issue the permits needed. If your application is for a temporary permit, one permit will be enough, but you need to display a copy of that permit at each temporary location.

Is there a charge for a permit?

No. However, we may require a security deposit. Deposits are used to cover any unpaid taxes that may be owed at the time a business closes.

Is information about my account subject to public disclosure?

State laws that protect your privacy generally cover your records. Some records are subject to public disclosure, such as the information on your seller's permit, names of owners or partners, your business address, and your permit status. See the disclosure information on the back page.

Why do you need to verify my driver license number?

When it is required, it is used to ensure the accuracy of the information provided and to protect against fraudulent use of your identification.

Why am I being asked if I sell tires, consumer electronic devices, or tobacco products at retail?

On January 1, 2001 California retailers of new tires began collecting a tire fee (currently \$1.00), for each new tire sold to consumers. Starting on July 1, 2004, consumers will begin to pay a recycling fee for every "covered electronic device," purchased from a retailer.

A covered electronic device is a cathode ray tube or device, flat panel screen, or any other similar video display with a screen whose diagonal measurement is four inches or greater, and is classified to be a hazardous waste when disposed of. Effective on June 30, 2004, if you sell cigarettes and/or tobacco products, you must obtain a license (separate from a seller's permit) from each location you intend to sell these products. Depending on your response and type of business, the Board will send you information about these license and fee programs.

What are my rights and responsibilities as a seller?

When you obtain a seller's permit, you acquire certain rights and responsibilities.

- **You may buy property for resale without paying tax to your supplier.** By providing the vendor a completed resale certificate, you are not required to pay sales tax on property you are buying for resale. You cannot use a resale certificate to buy property for your own use (even if you plan to sell it after its use).
- **You must keep records** to substantiate your sales, purchases and return deductions, and keep them for four years.
- **You must file returns** according to the Board's instructions for the filing basis that we determine from your application. You must file a return even if you have no tax to report.
- **You must pay the sales tax due** on your retail sales in California. You may be reimbursed by collecting the amount of tax from your customers.
- **You must notify the Board of any business changes.** A permit is issued only to the owner and address listed on the permit. If you change ownership, address, add another location, sell or close your business, add or drop a partner, you must notify the Board by calling or in writing. Your notification will help us close your account and return any security on deposit. If you do not, you could be held liable for continuing business taxes. Note: Notify us immediately if you drop or add a partner in order to protect former partners from tax liabilities incurred by the business after the partnership changes.

How Do I Apply for My Seller's Permit?

Step 1: Complete Your Application

Complete the application on page 5. If your business is an ongoing operation check permit type "Regular." If your business will operate at the location(s) for 90 days or less, check "Temporary." Please provide **all** the information requested on the application. If you do not this will delay the issuance of your permit. Refer to the "Tips" on page 4. If you need assistance, please call your local Board office or the Information Center, 800-400-7115.

Note: If your business is located outside California, complete form **BOE-403-B**, *Registration Information for Out-of-State Account*. Visit our website at www.boe.ca.gov, call the Out-of-State Office at (916) 227-6600, or the Information Center at 800-400-7115, to request a copy by mail or by fax (select the automated fax-back option).

Step 2: Send Your Application for Processing

Send or take your application to the district office nearest your place of business. If you plan to apply in person, contact the local office to find out when they are open. Note: A permit is required before you begin making sales. Advise the Board if you have an urgent need for a permit.

Step 3: After Your Application Is Approved

If your application is complete you should receive your permit in about two weeks. Based on the information on your application, the Board will provide you with regulations, forms and other publications that may help you with your business. Or, you may choose to view and download information from our website at www.boe.ca.gov. You will also be informed of when to file tax returns: monthly, quarterly, fiscal or calendar yearly. You will also start receiving tax returns for reporting and paying the taxes due on your sales and purchases. If you do not receive a return, download one from our website, or call the district office.

Post your permit at your place of business in a location easily seen by your customers.

Tips for Filling Out Your Application

Item 1: Permit Type

Check whether you are applying for a **regular** or **temporary** permit. You may apply for a temporary permit if you intend to make sales for a period of 90 days or less. Otherwise, you must apply for a regular permit.

Items 2–8: Business Identification Information

Check your type of ownership and provide all of the information requested. Partnerships should provide a copy of their written partnership agreement, if one exists. If it is filed with us at the time you apply for a permit and it specifies that all business assets are held in the name of the partnership, we will attempt to collect any delinquent tax liability from the partnership's assets before we attempt to collect from the partners' personal assets.

Items 9–35: Ownership Information

Indicate whether those listed are owners, partners, etc., and enter their driver license or California Identification Card number and, except in the case of corporate officers, their social security number. Also, provide a reference for each person, who does not live with that person. This information will be kept in strict confidence. If mailing your application, you must provide a photocopy of your driver license or California Identification Card.

Items 36–46, 65: Type of Business and Business Locations

Check whether the business is a retailer, wholesaler, etc., and whether the business is full time or part time. Describe the types of items you will sell. Avoid using broad descriptions, such as "general merchandise." Instead, list specific examples such as sports equipment or garden supplies. Indicate the number of selling locations, the address and telephone number of the business, and the landlord's name, address, and telephone number. If there are multiple selling locations, additional addresses can be listed on the reverse side (Item 65). Tax returns and other materials will be sent to the business address unless a different mailing address is specified (Item 42).

Items 47–48: Projected Monthly Sales

Indicate your projected monthly gross and taxable sales. If unsure, provide an estimate. Your projection helps to determine how often you will need to file a return. If your actual sales vary, we may adjust your filing frequency.

Items 49–54: Related Program Information

Provide your Alcoholic Beverage Control license number, if applicable. Indicate if you will be selling new tires, consumer electronics, or tobacco products. We will contact you to determine if you need to register for any of these other programs.

Items 55–64: Related Party Information

Identify the person maintaining your records, your bank, and if you accept credit cards, your merchant card account. Also, identify major California-based suppliers and the products that you purchase from them.

Items 66–73: Ownership and Organizational Changes

If you are purchasing a business, or changing from one type of business organization to another, provide the previous owner's name and seller's permit number. If you are purchasing a business, you should request a tax clearance in advance to assure that you won't have to pay any taxes owed by the previous owner.

Items 74–78: Temporary Permit Event Information

Applicants for a temporary permit must complete each item in this section.

Where Can I Get Help?

No doubt you will have questions about how the Sales and Use Tax Law applies to your business operations. For assistance, you may take advantage of the resources listed below.

INTERNET

www.boe.ca.gov

You can log onto our website for additional information. For example, you can find out what the tax rate is in a particular county, or you can download numerous publications — such as laws, regulations, pamphlets, and policy manuals — that will help you understand how the law applies to your business. You can also verify sellers' permit numbers online, read about upcoming Taxpayers' Bill of Rights hearings, and obtain information on Board field office addresses and telephone numbers.

Another good resource — especially for starting businesses — is the California Tax Information Center at www.taxes.ca.gov.

CLASSES

You may enroll in a basic sales and use tax class offered by some local Board offices. You should call ahead to find out when your local office conducts classes for beginning sellers.

WRITTEN TAX ADVICE

It is best to get tax advice from the Board in writing. You may be relieved of tax, penalty, or interest charges if we determine you did not correctly report tax because you reasonably relied on our written advice regarding a transaction.

For this relief to apply, your request for advice must be in writing, identify the taxpayer to whom the advice applies, and fully describe the facts and circumstances of the transaction.

Send your request for written advice to:
State Board of Equalization; Audit and Information Section, MIC:44; P.O. Box 942879, Sacramento, CA 94279-0044.

**SWAP MEETS, FLEA MARKETS, OR
SPECIAL EVENTS CERTIFICATION**

People who sell merchandise in California are generally required to hold a seller's permit.

You **may not** sell at this event unless you have a seller's permit or are not required to hold a permit. You are required to have a permit if you are selling, even temporarily, new or handcrafted items or used items you purchased for the purpose of reselling to others. You are not required to hold a permit if you are only making "occasional" sales, selling products that are not taxable when sold at retail, or selling on behalf of a section 6015 retailer.

Seller's permits can be obtained at any local Board of Equalization office at no cost to you. To find a Board office near you, call our Information Center at 800-400-7115 or check our website at www.boe.ca.gov. Permit applications can also be found online at www.boe.ca.gov/sutax/sutprograms.htm. If you obtain a temporary seller's permit, the business address on your temporary permit should be the address of the temporary selling location and the mailing address should be your permanent place of business or residence.

Occasional and Nontaxable Sales - Occasional sellers are usually people who are not required to hold a seller's permit because they will not be making a series of qualifying sales. A person who has cleared their garage of used items *accumulated for their own use* and who sells *only* those items would usually qualify as an occasional seller, provided they make sales no more than twice in a 12-month period. Some sellers who make only nontaxable sales are also not required to hold seller's permits. Examples include sellers of fresh produce or other cold food products sold "to go." Please note, however, some food sales are taxable, including sales of food for consumption in places where admission is charged.

Section 6015 Retailers - Revenue and Taxation Code section 6015 relieves certain individuals of the requirement to obtain a seller's permit when: (1) the product supplier is a Board approved section 6015 retailer, (2) the product supplier reports and pays tax on the actual "retail selling price," (3) the individual is selling only those items purchased from the section 6015 retailer, and (4) the individual provides the name of the product supplier. Typical section 6015 retailers include multi-level marketing retailers that solicit sales through a network of individual salespeople/representatives (e.g., Avon, Tupperware).

Verification of a seller's status is required by law. Please complete all four sections of this form. Please print.
